

Why Are So Many Switching...

to

The *Writer?*

It's simple . . .

The Writer offers your teachers and students

- The Best on-board keyboard instruction
- The Best on-board writing features
- The Best warranty
- The Best overall value

Our students love their Writers! We use them for language arts, science and social studies. Their writing is far more detailed and their vocabulary more advanced.

– Kim Collazo, 5th grade teacher

The improvement we've seen in our students' keyboarding skills has been dramatic!

– Sherry Detrick, Pine Street Elementary

Sturdy, Stable, Dependable

5 Year Warranty – Money Back Guarantee

30 Unit Labs Start at Just \$4,995

- End Hunting and Pecking**
- Improve Writing Skills**
- Free Your Computer Lab**

Replace this . . .

. . .written work that is exhausting for students to write, difficult to read, and unlikely to be revised.

With this . . .

. . .clear, legible writing. Students and teachers can focus on content strengths and weaknesses.

Automatic headings help your students with organization.

Writer Auto-Rubrics help guide students through the editing and revising process.

Writer UltraLab

The system every teacher wants.
